

Charalampos Photiou

Web Developer & Digital Marketing Executive

Limassol, Cyprus • +357 96 425378 • charfotiou@gmail.com • LinkedIn • Portfolio

PROFESSIONAL SUMMARY

Web developer and digital marketing executive with 3+ years at Fameline Holding Group, pairing hands-on web development with full-funnel marketing. Manages a portfolio of 50+ live websites: builds on WordPress (Elementor Pro, WPBakery, Divi) and hand-codes custom sites in VS Code with Git/GitHub and AI-assisted workflows, and maintains and develops MODX Revolution sites. Runs paid media on Google Ads (Search to Performance Max), email marketing in Mailchimp and Brevo, SEO, and social — backed by Google and AI certifications.

EXPERIENCE

Digital Marketing Executive

Jan 2025 – Present

Fameline Holding Group · Limassol, Cyprus

- Design, build, and maintain WordPress sites (Elementor Pro, WPBakery & other builders) and develop custom sites in VS Code with Git/GitHub and AI-assisted coding (e.g. Claude Code).
- Maintain and develop MODX Revolution sites across the group's brands — edits, updates, and new content.
- Manage a portfolio of 50+ live websites — updates, performance, uptime, and security across the group's brands.
- Plan and run paid campaigns on Google Ads (Search, Display, Video, Demand Gen & Performance Max), Meta & LinkedIn — 440K+ impressions and 16K+ clicks/engagements at a 3.6% average interaction rate.
- Schedule the group's social media and build & send email campaigns in Mailchimp and Brevo.
- Grew the company's LinkedIn audience from ~1,000 to 7,500+ targeted maritime-industry followers.
- Help run the group's flagship events (East Med Marine & Offshore Exhibition, Fameline Offshore Sailing Regatta) and CSR campaigns (Movember, World Cancer Day); organise the internal table-football charity tournament.
- Set up tracking & analytics with Google Tag Manager and Google Analytics.

Junior Digital Marketing Officer

Sep 2023 – Feb 2025

Fameline Holding Group · Limassol, Cyprus

- Built and updated WordPress websites and landing pages for the group's brands.
- Created graphics and scheduled social media posts to support marketing campaigns.
- Helped with the group's events and awareness campaigns — scheduling social posts and sending email campaigns.

Multimedia Graphic Designer (Internship)

Sep 2022 – Dec 2022

MindLab · Limassol, Cyprus

- Developed dynamic WordPress websites end to end, from concept to launch.
- Curated and grew the company's social media channels, boosting visibility and engagement.
- Created content and campaigns that contributed to increased sales; captured product photography.

SELECTED WORK

12 · WordPress + Elementor

13 · MODX Revolution

6 · Custom-coded (VS Code)

18 live corporate websites designed and built — on WordPress + Elementor (Fameline Holding Group, Fameline Mission Solutions, OneNet Group, MIE Group, Euploia Partners, NorthTide, Kozy Developers) and hand-coded in VS Code (Albaflex, Seaflux and the Cargo Logistics brands). I also maintain and develop 13 MODX Revolution sites (Fameline Energy, Sheerline, HSS Marine Safety, Euploia Drydocks, and more). Full list with live links: portfolio.
